### **Teaching Philosophy:**

I possess a genuine belief that every golfer has the  
ability to play better than their current level, whether beginner or Pro. I work  
to build confidence through increased performance. I pinpoint the most  
relevant core issues affecting **your** game, always working towards improved  
ball-flight. I stick with fundamentals so you don't have to work on a million  
preferences.

### **COACHING HOURS:**

Mondays 3pm – 9 pm  
Thursdays 3pm – 9pm
